

After serving us well for 17 years we have decided that CICS needs a new logo!!!

We want something contemporary and funky! We are also having a name change to "Christians in Calderdale Schools" (basically because that is what everyone calls us anyway!)

So if you are the creative type get designing! We are giving a £50 voucher (of your choice) to the person with our preferred logo choice.

E-mail your completed logo as a PNG/JPG file to office@cicscalderdale.org.uk . The logo must say CICS and ideally Christians In Calderdale Schools - but beyond that be creative (and no it doesn't have to be pink!)

The closing date is Monday 24th July and we will announce the winner shortly afterwards. The logo will be in use from 1st September (the new school year!).

So stop reading and get designing.....
